Acknowledgement of Election

1. Applicant's election of Invention II, claims 13, 17, 18 and 21-25, in the reply filed on November 10, 2004 is acknowledged. Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)).
2. It is further noted that Applicants canceled the remaining non-elected claims in the Amendment filed November 10, 2004.

Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance:

The added limitations, in the Amendment filed April 20, 2004, of a base having a housing having at least one connector module mounting hole and further having a tongue and groove structure along a substantial portion of a perimeter of the housing, a cover movably mounted to the base and a bushing removably mounted to at least one of the cover and the base as detailed in claim 13 has not been found. It is further noted that the examiner's reasons are understood to be predicated upon consideration of each of the claims as a whole, and not upon any specific elements of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
